

# iPhonography 2025

11<sup>th</sup> Annual Juried Competition  
and Online Exhibit

March 5 – April 5, 2025

---

The Plymouth Center for the Arts is proud to present its eleventh annual photography competition that recognizes the unique position mobile devices play in the production of creative images. These devices offer the prospect of spontaneous photos, an artistic workflow and a multitude of easily available creative applications. Mobile devices, particularly cell phones exemplify the old adage, “The best camera is the one you have with you.”

We invite photographers of all ages to submit their best images taken with a mobile device (phone, tablet, laptop or iPad) to this distinctive photography exhibit.

iPhonography is a non-themed show.

Plymouth Center for the Arts membership is not required for entry.
